

Application form for the “Fairtrade Access Fund”

The "Fairtrade Access Fund" is an impact investment fund whose mission is to assist small farmers through their level I and II organizations (associations, cooperatives, NGOs, etc.). Candidates for the fund must be strong and responsible organizations that are certified by Fairtrade International (FLO), or another sustainable certificate (Such as Rainforest Alliance, Utz, World Fair Trade, Café Practices,) or in the process of being certified.

The fund also provides financing services to plantations (farms), processors and traders that are certified, as well as microfinance institutions that focus on small farmers.

If you are interested in obtaining financing from the "Fairtrade Access Fund", please complete this application form and submit it in order to start the pre-selection process. Please complete the following tables with the organization's data for the last three years and with the most recent information of the current year, as indicated in the corresponding cells.
